Governor stood as follows:

Majorily. ted by a temperance ticket.

diets it will give the negroes the not be questioned, says: utmost liberty of government. He - Well, as the statue is to be eracled, to resist nothing by force. But, like time ago, 251 brokers of New York really loves liberty whether it be firmly established in the organic law of the State by rebels or Radicals."

We think the Radicals should be very much pleased to see how Southern men can beat them at their own game. In Mississippl the Dent chivalry was blacker than the Alcorners, and in Tennessee according to this correspondent, the Nashville rebel convention is about to out-Herod the Radical Congress itself on the negro subject.

The orphans of the Clarksville Confederate Asylum have been taken to Nashville to participate in a series of entertainments for their benefit.

of entertainments for their benefit. Their reception by the warm-hearted, patriotic and generous people of our State Capital was creditable to their dead, have been well cared for, and statue, I can stand the inscription." every provision made for their comgort and a profitable visit. The Union and American, describing the event

Among the names that will come up prominently before the Democratic Nominating Convention for county

We are glad to see such candor from the up prominently before the Democratic right quarter, which Radical partizans and it is mere stupidity to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, by the covered by from the united to suppose able to individual citizens, and in the covered by from the united to suppose able to individual citizens. THE DEST MAN WILL BE CHOSEN,

serted, who will not submit to tyrants. They have been blinded by passion against the State therefor, by paying into the Treasury any portion of the bonded indebtedness of the State. The Wall street bendholders have been making. street bondholders have been making tinguished for adherence to such prin- and not apportioned; that the process vi an effort to control our railroads and run taem in their own inferest. They have already hundreds of millions their interests, and who are proverblated in their interests. embedied for the control and consolidation of Northern roads, and might buying up the bonds of the State, procuring a sale of the roads for moncy, and paying in bonds what the roads might bring under the hammer. Thus the bondholders would have an advantage. We are informed that there is no accessity of our railroads there is no necessity of our railroads passing from the hands of our own

League that he absolved them from their each of allegiance and they could now go to work, if they could get it, now go to work and the good go to work and the good go to work and the good go to work and they go to work imposition upon the press of boshy messages at unusually late hours, we are at a loss to see. Perhaps the future suffering and inconvenience to be entailed upon the three hundred operators whom we understand are not again to be employed by the not again to be employed by the property of the people should be fairly that there were no conditions imposed, no guarantees asked, no requirements made of her. Indeed, at the time of her admission, no reconstruction law had been passed by Congress:

Whenever no conditions imposed, no guarantees asked, no requirements made of her. Indeed, at the time of her admission, no reconstruction law had been passed by Congress:

Davidson.

THE DAILY APPEAL

It sent by mail to subscribers, one year, \$18; one quarter, \$1 one quarter, \$2 one per month; with Sixnar Eperies, \$12 year.

For uninterrupted telegraphic communication may well enough be final. Convention may well enough be final. The telegraph is too intimately identified by carriers anywhere in the 22d day of February, 1865, by a large popular vote, along and ratios. The telegraph is too intimately identified by carriers anywhere in the allowage of the month. Berved by carriers anywhere in the city and suburbs at Twenty-rive Cents per week Smalay sollifor included.

The WERKLY APPEALs

The telegraph is too intimately identified with the daily routine of the people are ation. We believe the people are ation of Government whereby slavely we against negro suffrage by an overwhelming vote, and therefore we are anyway, or to be interfered with or interrupted in its workings even by the convention should fix a State Government has been organized.

THE WEEKLY APPEAL,

Fubilished every Wednesday morning, is sent to subscribe sat \$250 a year; to clabs of two or more, \$25 a year.

We have no travelling agents. Remittances must be by draft or postuffice order. Money at the risk of the sender.

FADVERTISING RATES, in the Daily argeal, \$1 per square, \$20 cents per time, for the sender time, according to pince. In the Wirskin, one-haif the rates of the Bally, Advertisements inserted in the Scate of Pebruary, for vance.

The Weight Appeal,

Interrupted in its workings even by anwilling the Convention should fix the black evil in our organic law without such a vote.

But the report of the Majority Committee is for permanently fixing on mittee is for permanently fixing on the State, without the ascertained consent of the people, the most atrocked to be represented by the Scate of the United States in Congress assembled. That the State of the people, or even that of the Convention itself. If adopted it the black are the black of the sender will be at the dictation of our north-to-leave the black of two bins, and we hope this the black evil in our organic law without such a vote.

But the report of the Majority Committee is for permanently fixing on mittee is for permanently fixing on the United States abiliates additional to the Constitution, which has estimated in the black evil in our organic law without such a vote.

But the report of the Majority Committee is for permanently fixing on the United States and lastics abolishing slavery, also the United States and Longe the United States and Longe the United States and Longe the United States in Congress, and has done other and House of Representatives of the United States in Congress as the English of the State of the mediane to the Congress, and has done other and the United States in Congress, and has done other and the United States in Congress, and has done other and th Nashville on the 21st of February, for will be at the dictation of our north- to be the only legislation upon the the purpose of devising means to bring ern masters, the result of fear, treplda-subject of the restoration of Tennestheir people. The counties are requested to send full delegations, to be regulated? If so, then we again protest terday. Nothing short of a with their circumstances; and the delgates are requested to bring all the logton. If it is unsafe now to do what as in the case of Georgia, can avail aformation that can be obtained on a Republican people may of right do, anything in Tennessee, for the scurvy chools, on farming, on wages per if we are not at liberty to alter our few who, to feed their own ambition, their fulfillment, on treatment of it is unsafe to disobey at all.
